Subject: Final Draft GLO Environmental Monitoring and Maintenance Plan

Hello Jesse and Fonda,

Attached is the final draft of the GLO Environmental Monitoring and Maintenance Plan for your review and comment. I highlighted the text that has been added/updated from the prior version.

Jesse, per your request, the land use restriction language that we discussed for a proposed environmental covenant was incorporated into the plan. Please call me if you have questions on that language.

I'm hoping we can finalize this plan by the end of the year.

Regards, Kara
